

Black Dress Goods!

AN ASSORTMENT OF ELEVEN
PIECES AT \$1.00 PER YARD.

It is said that a Dry Goods Store can be judged by the quality and assortments of the Dress Goods Department. Here is one single line in black only at one price; judge the assortments and prices of our entire stock if we should include all the colors.

PANAMA—With an invisible stripe slightly lighter in weight than the ordinary Panama cloths.

ARMURE—This has a very nobby weave and is a cloth that makes up beautifully into skirt, suit or dress. An imported cloth.

CHIFFON LORENTO—This is a French cloth, new in weave and is proving a fast seller with us.

WOOL TAFFETA—This somewhat resembles the poplin, but is prettier and newer. The yarns are hard twisted worsted and make a very serviceable fabric.

CHIFFON PANAMA—This is a plain weave, light in weight, pure worsted and a stylish satisfactory cloth for long or short coats, skirts or suits.

NOVELTY STRIPE—A new cloth this season and is on the line of the cloths you see made up in many of new suits this spring. It is handsome and serviceable for skirts and suits.

STRIPED SERGE—This is another cloth that has been in great demand among suit and skirt tailors. It has all the virtue of a serge, yet it is lighter weight, prettier style than the plain ones.

BROADCLOTH—A very nicely finished fabric made from good stock and woven fine and close. A perfect black, 50 inches wide. Will give exceptional service.

STRIPED MOHAIR—An imported cloth, has a perfect even grain and a rich silky surface. This is a new spring cloth and for service we can recommend it.

PLAIN POPLIN—Although this is an old fashioned cloth it is for general wear one of the best in the land and is worn probably more today than five years ago.

CHECKED PANAMA—This cloth shows an invisible check, very neat and stylish in appearance and seen to advantage in skirts and suits.

All of the Above at \$1.00 Per Yard.

Most of these cloths come also in blacks, blues, browns, reds and some of them in greens.

The automobile costumes worn in this big automobile racing drama, "The Vanderbilt Cup," which comes to the opera house to-morrow night, are said to be the most astonishing affair possible, and to disguise most successfully many lovely faces. The very smartest and latest importations are promised, and local motor enthusiasts will be able to see just what is worn on the other side.

After a day's delay, due to family objections, Louis M. Romanos and Miss Mary G. Peters were married at St. Monica's church yesterday afternoon. Rev. P. M. McKenna performing the ceremony. The marriage license was obtained the day before, but relatives of the bride objected to the marriage and made the claim that the girl was but 14 years of age. This claim they failed to support, and it is said that the mother withdrew her objections to the wedding. Peace and happiness again prevail in the Syrian colony.

The unique man who walks a horse up and down the street and then varies the monotony with clanking up and down the sidewalk on foot, told his story between the acts of the repertoire show at the opera house last night. He says he never knew another any other name than "Montana Harry," but is inclined to think that he may have been the son of "A. D. Powell" of Burlington, Vermont. He has a ring inscribed "A. D. P. to K. C. P." He thinks that his parents, his two sisters and himself a two months old babe migrated to the West. Harry also says that he spent nine weeks looking over the records in Burlington and found that there was a man who left that city with his wife and two daughters in 1842. He told the audience that he has government papers to prove his assertions as to being a second in the Indian war. He has two tomahawk wounds on the head, a bullet in his left arm, is deaf in the left ear and blind in the left eye from the effects of a wound, besides having other wounds which he couldn't exhibit to the audience.
